

# ROLE MODEL BIOGRAPHY

Prior to our Inspiring role modelling sessions, IGS designs a fun and illustrative biography of the role models (see below for examples) for the girls' pre-reading. This is so that the girls can get to know the role models better and prepare some questions they might have for them beforehand.

## OUR ASK

1 Please send us:

- (1) a recent photo of yourself; and
- (2) your younger self (aged between 9-16 years old)

2 Complete the following questions:

- ✓ Tell us about yourself! (i.e your job title, a short description of what you do, your career and life journey, your philosophy in life, your hobbies)
- ✓ What has been the most challenging situation you have faced? How did you overcome it?
- ✓ What are 3 fun or interesting facts about yourself?

Your biographies will also be uploaded to [our website](#) as an online resource for girls. Girls with internet access would be able to read and get inspired by your personal journeys and stories no matter where they are!
